They both chuckled and Doe felt uncomfortable, but, at the time, was too young to understand why.

[D]id [Trump] have sex with his female party guests? 'So, he's a man with a woman,' Lucchesi says vaguely. How old were they? 'A lot of girls, 14, look 24. That's as juicy as I can get. I never asked how old they were; I just partook. I did partake in activities that would be controversial, too.'

-Model Andy Lucchesi, interviewed for Daily Beast's *Inside Donald Trump's One-Stop Parties: Attendees Recall Cocaine and Very Young Models*

Jeffrey Epstein, Ghislaine Maxwell, and the girl in question were late for the appointed take off time, which is why I remember it so well... But he liked him enough to wait...

What I do remember thinking about the girl though is that she was pretty, attractive. She was of an indeterminate age, though I realized she was young - I thought she could be anywhere from 15 to 20...

Oct 2002- NY Magazine article "Jeffrey Epstein: International Moneyman of Mystery" infamously includes this insane quote from Trump:

I've known Jeff for fifteen years. Terrific guy... He's a lot of fun to be with. It is even said that he likes beautiful women as much as I do, and many of them are on the younger side. No doubt about it — Jeffrey enjoys his social life.

The Fallout

2004- Trump and Epstein have a massive falling out. 2 rumours circulate:

1. Epstein and Trump were both trying to buy the same piece of Palm Beach property. Trump won. Epstein was bitter about this.

2. Epstein tried recruiting someone related to a Mar-a-lago member, or assaulted an underage girl at the club.

"I learned through a source that Trump banned Epstein from his Mar-a-lago Club in West Palm Beach because Epstein sexually assaulted an underage girl at the club."

Why do you think so many smart, powerful people allowed him to get so close?

Um, he was a good salesman, he was, y'know, he was a hale and hearty type of guy. He had some nice assets that he'd throw around, like islands. But a lot of big people went to that island. But fortunately I was not one of them.

It's just very strange for a lot of people that the list of clients that went to the island has not been made public.

She didn't deny the existence of the tapes but said, "I don't know where they are."

"Ask Epstein. The fate of the country is at stake. Trump could be elected president, and how would you feel if those tapes emerged after he was in office?"

She gave me a stern look and pointed a finger in my face. "I am the daughter of a press baron. I know the way you people think. If you do one side, you must do the other. If you get tapes on Trump, you have to do Clinton," she said.

Feb 2015 before CPAC- Trump, Michael Cohen, & possibly Roger Stone meet with David Pecker of the National Enquirer to talk about Epstein, Clinton, and Prince Andrew.
